

CHRISTMAS HAMPERS

Christmas Hampers are offered to our clients every year in an effort to defer expenses typically associated with the Christmas Season. With the support of sponsors like you, CCWN provides over 155 hampers to our families during this emotional and expensive time of year.

Steps to Sponsor a Christmas Hamper

1. **Contact CCWN** to establish the size of family you would like to sponsor. The specific family profile you choose (in consultation with staff) will be unique to the needs of that family. A financial investment of \$75 -100 per person in the household is recommended.
2. **Shop and assemble** the new items for your special sponsor family! We respectfully request you consider the following sponsorship guidelines:

Grocery Investment:	\$50-75 per person in household
Christmas Gift Investment:	\$30-40 per child (0-18yrs)
Flexible Gift Investment:	Optional for each adult

We encourage you to include a combination of groceries, gift cards, and new gifts wrapped up festively. This allows you as a sponsor to enjoy the shopping and selection process, and also provides the recipient to participate in some purchasing choices for their special Christmas!

**CCWN staff will provide suggestions when you select your family in step 1.*

3. Please **clearly identify your Christmas Hamper Profile #.**
4. **Deliver** the granted Christmas Hamper to Community Care West Niagara by **Thursday, December 15th 2016**
