Niagara Emergency Energy Fund Available for West Lincoln Residents

Beamsville, ON; Community Care of West Niagara, in partnership with The Region of Niagara and the Employment Help Centre in Smithville are offering **FREE** Emergency Energy Assistance for qualifying West Lincoln Households that are facing an emergency like maintaining utility service.

The Niagara Emergency Energy Fund (NEEF) covers electricity, natural gas, oil and other forms of energy and is limited to assistance for payment of arrears, security deposits, and reconnection fees. Applicants must provide detailed documentation as part of the assessment process.

Call CCWN at 905-563-5822 to confirm you qualify for this service and to book an appointment. Visit www.communitycarewn.ca for information required in NEEF Application preparation.

Community Care of West Niagara would like to thank: The Region of Niagara for funding this valuable service for West Lincoln Residents and The Employment Help Centre in Smithville for its generous contribution of space thus facilitating delivery of this service in West Lincoln.

About Community Care of West Niagara (CCWN)

Community Care of West Niagara is a charity that provides a bridge to self-sufficiency by supporting people and families with food, clothing and other needs. We strive to make a relevant difference as an organization that reflects compassion, integrity and respect.

CCWN has been a Delivery Agent of the Niagara Emergency Energy Fund since 2006 for the Town of Lincoln (serving Beamsville, Campden, Jordan, Jordan Station, Pelham Union, Rockway, Tintern, Vineland and Vineland Station).

CCWN is a 2016 Delivery Agent of the Niagara Emergency Energy for the Township of West Lincoln (serving Grassie, St. Anns, Wellandport, Caistorville, Abingdon, Bismark, Winslow, Fulton, Silverdale, Caistor Centre, Warner, Grimsby Centre, Boyle, and Attercliffe).
